REASONS WHY DISCOVERY WAS NOT COMPLETED

The parties aver, pursuant to Local Rule 6-1, that good cause exists for the requested extension.

The parties have stipulated to a Protective Order which was entered by the Court and will provide documents subject to that order. Said documents will also be submitted for expert review. In addition, the parties are working on scheduling depositions.

Counsel for Plaintiff Edward Wheeler has an evidentiary hearing in Eighth Judicial District Court Case No. 09C251342-1, *State v. Johnny Marquez*. Counsel for Plaintiff and

Counsel for Defendants City of North Las Vegas and Sgt. Travis Snyder was preparing for trials May 7, 2018 in *Kathryn Kingham vs. State Farm Mutual Automobile Insurance Company*, 2:15-cv-01555-APG-GWF, and in *Austin Stephan vs. State Farm Mutual Automobile Insurance Company*, CV16-01846. Both cases have recently scheduled, however, significant time was spent over the past sixty days preparing for the trials. In addition counsel for defendants is preparing appellate reply briefings in *City of North Las Vegas adv. Mitchell*, 17-16552 and *Weathers v. Clark County Detention Center*, et al, 17-17074. Finally, counsel has been out of town attending to a family matter.

Given counsel's time constraints and availability the time to complete discovery in this case has been telescoped. The parties are diligently working on the discovery in this case.

Any stipulation or motion must be made no later than twenty-one (21) days before the expiration of the subject deadline, and comply fully with LR 26-4. In this case, the current deadline for the expert disclosures is June 8, 2018, and thus this request is timely.

This extension request is made in good faith, jointly by the parties, and not for the purposes of delay. Trial in this matter has not yet been set. Moreover, since this request is a joint request, neither party will be prejudiced.

This Request for an extension of time is not sought for any improper purpose or other purpose of delay. Rather, it is sought by the parties solely for the purpose of allowing sufficient time to conduct discovery in this case and adequately prepare their respective cases for trial.

This is the fifth request for extension of time in this matter. The parties respectfully submit that the reasons set forth above constitute compelling reasons for the extension.

WHEREFORE, the parties respectfully request that this Court extend discovery deadlines in the above-captioned case sixty (60) days, up to and including **August 7, 2018** and the other discovery deadlines as outlined in accordance with the table above.
